

手扶耕耘機

740 We-PowerSafe

Engine	Fuel	Starter	Power KW/HP
Honda GX340	Gasoline	Recoil	8 / 10,7
Honda GX390	Gasoline	Recoil or Electric	8,7 / 11,7
Yanmar LN100	Diesel	Recoil or Electric	7,5 / 10

The 740 PowerSafe two-wheel tractor has a gearbox with 3 forward and 3 reverse speeds and a quick reverser to change the forwarding direction. The differential with lock is serial.

The handlebar is adjustable and reversible in order to use front and rear attachments.

The engines available for this version are two gasoline engines Honda GX340, 10,7 hpor GX390, 11,7 hpand a Diesel engine Yanmar LN100, 10 hp.

The 740 PowerSafe has been specifically designed to increase the quality/price ratio. Versatility is still the primary feature of this model and appraises the product whether it is used for farming work or for landscape maintenance.
